

# The Guardian Speaker Cover

Model SC101

## Features:

- Large 7' x 7' canopy
- Light weight aluminum construction.
- Optional auto-return pivoting canopy.
- Optional 6' fluorescent canopy light.
- Optional light box & banner kit for added graphics.

## Benefits:

A **Guardian** "drive-thru speaker cover" will quickly pay for itself. It will recover a significant amount of revenue usually lost due to rainy weather. It improves the whole drive-thru experience, gives a welcoming presence, especially at night, and provides opportunity for additional advertising with our light box & banner kit options.

The **Guardian** can be easily customized with colors, graphics, light box shapes to compliment any corporate image.

**Quantity discounts are available.**
