

# The *WeatherShield* Window Canopy

Model AG100

## Features:

- Large 4' projection x 8' wide.
- Light weight aluminum construction.
- 2' fluorescent light.(Optional)

## Benefits:

A **WeatherShield** "drive-thru window canopy" will pay for itself quickly. It will recover a significant amount of revenue usually lost due to rainy weather. It improves the whole drive-thru experience, gives a welcoming presence, especially at night, with our optional LED canopy light.

The **WeatherShield** canopy can be easily customized with a custom color to compliment any corporate image.

## Standard Color:

Red

Custom colors are available.
