

# HOLLYWOOD

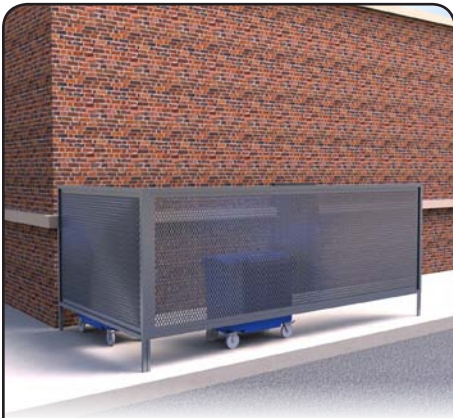

## SUNSCREEN SYSTEM

### Art Screens

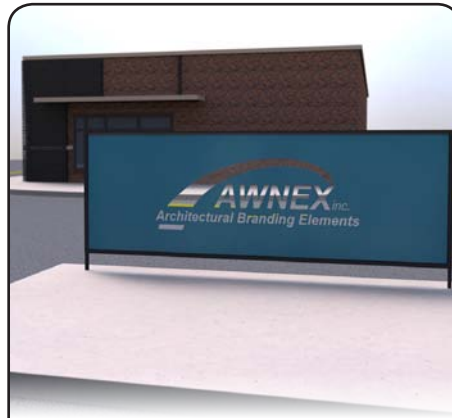

#### Description:

Our Art Screens are the perfect opportunity to create private settings and add additional branding to your property inside and out. These items can be fabricated in seemingly infinite sizes and configurations. Customize your art screen with specific colors, materials, and patterns to create a truly unique aesthetic.

#### Sizing & Mounting Examples

Custom patterns, or materials to reflect your brand or architectural theme.

Cut-out or applied graphic logos and artwork to reinforce your brand identity.

Corrugated metal, glass, or wood panels can be used to customize your art screens.

#### Contact:
