

HOLLYWOOD

SUNSCREEN SYSTEM

ROOF SCREENS

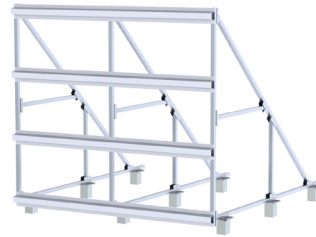

Description:

The Hollywood roof screens allow you to accent your properties' design intent that's both functional and aesthetically pleasing. They are effective at disguising building systems, and are a great solution to dress-up your properties' curb appeal.

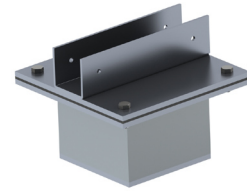

Structure

Low Frame

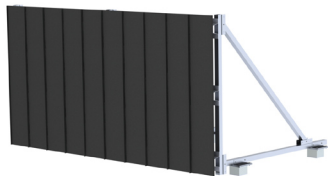

High Frame

Roof Mounted Base Plate

Modular construction allows quick installation and easy adjustment of our roof screen sys-

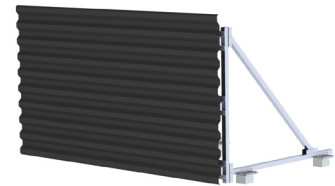

Cladding

Standing Seam

Louvers

Corrugated Panels

Choose from multiple cladding options or let AWNEX design to your specifications. Cladding can be applied in multiple orientations and angles to achieve a custom appearance.
